The experience from her first outing should prove valuable in this race. The stretch effort in the last race leaves much up in the air. Recently, this trainer has produced really strong profits (+74% ROI) when asked to go a distance of ground.

Good power rating - morning line odds underestimate this colt's possibilities - strong price potential. Hard to play this colt today - rider's win percentage as of late has been lackluster. This jockey/handler combo is a bit cold right now - not a high winning percentage together.

Shouldn't overlook this mare in your prime wagers; very dangerous with Francisco Arrieta aboard (7 starts, 86% wins). Beautiful animal is on a nice roll - may keep on winning. Trainer's recent ROI figures (+47%) with this mare make a sound bet.

Could be tough to wager on after that last stretch drive. Not making a bet on this one after the last venture. Edgar Morales and Chasey Deville Pomier haven't been a strong team lately.

Mark E Casse can make a nice-priced score with this racer. Nice power rating. Wilted in the stretch last time around the track. Finished in the rear of the field last time - not a terrific sign.

Put forth a nice effort in the last race. A pony coming back this quickly after a strong contest is a good sign. Handler has had a tough time winning races over the last month.

Wagerers should feel comfortable with this selection given the solid Trainer/Horse record (7 starts, 43% wins). Not in the top half of the field last race out. Mark E Casse can make a nice-priced score with this noble animal. Nice power rating.

Brad H Cox 's ROI with this horse (+97%) automatically make them a beneficial contender. Good power rating - given odds underestimate this filly's chances - have to play at a price. Hard to play this filly today - jock's winning percent lately has been lackluster.

This jockey is on a bit of a cold streak. Finished in the back last time - not a great sign. Tough to bet on this horse after the disappointing stretch drive in the last race.

Magnificent horse keeps chugging along. When Junior Alvarado and Philip A Bauer are put together - the return on investment has been great. This filly should go off at a price and has a strong power rating.

Was playable last time out. Kenneth G McPeek has not shown much moving horses from dirt to turf (52 starts, 6% wins). Don't really like the most recent undertaking - in the back of the pack.

When Axel Concepcion and Brendan P Walsh are put together - the ROI has been fantastic. Dam's foals on the turf have been profitable wagers in recent times (20% wins). Has a shot to keep the win streak alive this time.

Have to make this filly a contender - she comes off a sharp contest. This filly runs strongly under Ben Colebrook 's training. Luan Machado has very solid numbers with this filly that point to a strong contender.
