Have to gamble on him if he goes off at a price with such a strong power rating. The combination of John R Velazquez and Philip D'Amato isn't on track lately. Have to like that most recent outing where he finished strong.

Tough to play this horse after the disappointing stretch drive in the last race. Eddie Kenneally has an exceptional ROI (+45%) with this horse. Jose L Ortiz and Eddie Kenneally perform well when they partner up - strong ROI together.

The stretch performance in the last race leaves much unanswered. This rider and conditioner's equines have been producing a lucrative return on investment. Trainer's recent ROI statistics (+180%) with this colt make a competitive bet.

Wager on this angle - coming back off a good effort within the last month or so. This colt faltered down the homestretch - not a positive signal.

The stretch try in the last event leaves much to be wished for. This rider/conditioner combo is cold right now - not a high winning percentage together. Landed in the top three in the last race.

Bob Baffert 's ROI with this horse (+3%) automatically make them a desirable contender. Strong effort by this mare in the last race. Race horse is on a nice roll - may keep the win streak alive.

Always love to put some dough on any animal with a top power rating at a good price. This questionable contender didn't finish near the front of the field last out. Trainer's recent ROI data (+31%) with this gelding make a very good bet.

Jockey's recent ROI information (6 starts, +95% ROI) with this mare make a decent wager. Dam's foals on the turf have been profitable propositions in recent times (26% wins). Beautiful animal is on a nice winning streak - may keep the streak alive.

Tough to play this equine with this handler's lack of recent success. Lost ground down the stretch in the last affair. Paul McEntee has not recorded strong dividends with this colt.

Historically, this trainer has not shown a good ROI (-5%) moving horses from the dirt to the turf. Didn't finish in the top half of the field last event - might have to expect similar results. Tough to wager on this one after the disappointing stretch drive in the last affair.

Sire's foals on the turf have been profitable wagers recently (303 starts, 17% wins). This jock and trainer have a favorable ROI when they work together. Trainer Mark E Casse has this gelding ready to roll. Good team.

His trainer has done very well with horses moving up the class ladder (32 starts, 19% wins, +6% ROI). Difficult to figure this one winning after finishing near the rear last time. This jock/conditioner duo has been producing a very beneficial ROI.

Dam's offspring have shown really strong profits on the grass (33 starts, 18% wins, +119% ROI). Players should feel comfortable with this pick given the solid Trainer/Horse record (11 starts, 27% wins). Didn't display much willingness during the stretch run last time - be cautious with him.

Could be tough to bet on after that last stretch drive. Tread lightly - effort just wasn't nearly good enough last race. When Alex Achard and John Ennis partner up - the return on investment has been wonderful.

When this jockey and handler join forces you have to take a look. Don't really like the most recent venture - in the back of the pack. Didn't exhibit enough courage in deep stretch last time.
